

The Most Reassuring Sight On The Site

You've got enough on your mind. Why worry about what's going on up on the roof? That's why you need OMG on the job site.

We've got the products, people and services that let you rest easy knowing things are going smoothly. Whether it's fastening systems, adhesives, or retrofit roof drains - our nationwide team of factory trained field representatives deliver innovative products and rooftop services that help you get the job done, and done well.

So, no matter what OMG product you're working with - from OlyBond® adhesives and OlyFlow® drains and accessories, to a full range of high performance roof fasteners, we have a product for every application and field service for every product.

For quality, innovation and dependability set your sites on OMG.
