

The only tool you need for fixing roof leaks.

You never know when your roof will leak. But one thing's for sure – you're going to get the call to stop the leak. Fast! That's why you need EverSeal™ brand of roof repair tape. EverSeal sticks to all common roof surfaces and most construction materials, and comes in convenient 6-in. x 50-ft. rolls in black or white.

EverSeal features a fumble-free EZ Release Liner™ and exclusive Ready-to-Roll™ dispenser box for easy handling on the roof. Plus with EverSeal there are no primers or harsh chemicals. It's easy to use, handle and store and offers a better solution for quick repairs – just what you expect from OMG.

EverSeal. Don't get stuck without it.
